

## NUIG Alumni Beijing Chapter Gathering for year 2009

2008-12-7, 5-8pm, about 26 participants (including alumni and their families) attended NUIG Alumni Gathering for year 2009. The venue is the function room of the Department of Industrial Engineering, Tsinghua University.

Dr. David O'Sullivan, the head of the Department of Industrial Engineering at NUI Galway, Prof. Zheng Li, the director of the Department of Industrial Engineering of Tsinghua University, and Prof. Harinder Jagdev from Manchester University were sincerely welcomed to the gathering as well.

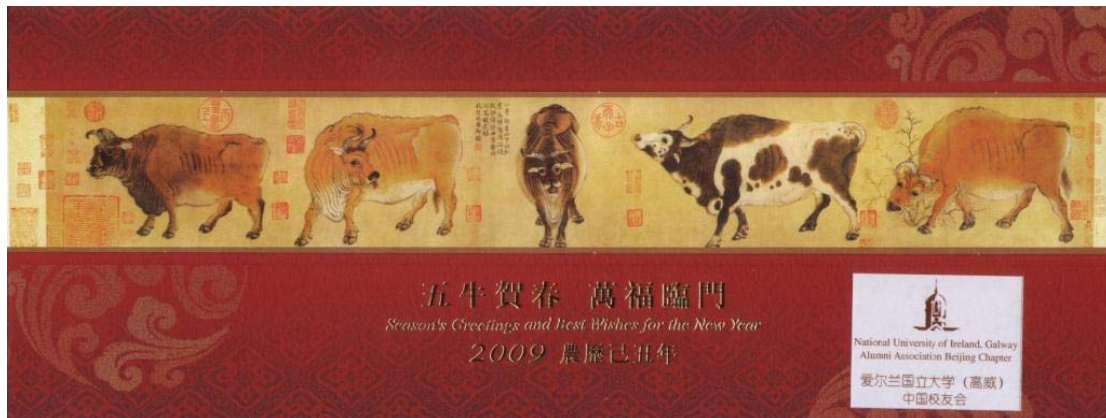

A warm reception was arranged, with decorated NUIG banner and pull-ups around. At the reception, a lot of pictures of NUIG buildings, campus, Galway city and recent alumni events were played on a overhead projector with Classic Celtic Music. Alumni had good talks with the VIP guests and were chatting to each other excitedly. Everybody did a brief introduction both in English and Chinese, including their stories in NUIG and current situation in China. All participants were happy to meet so many alumni this time. They are looking forward to next gathering for our alumni in Beijing and surrounding area.

NUIG Alumni Association post 30 copies of Cois Coiribe to Beijing specially for this event. The Alumni Beijing Chapter prepared a lovely greeting card for everybody and ordered a heavenly cake shaped as a mass of blossom which means the alumni reunion for year 2009. The Alumni Beijing Chapter also suggested every alumni keeping contact for information collection and database update.

At the end, everybody signed on one greeting card. Dr. David O'Sullivan will bring it back to Dr. James J. Brwone, the president of UNI Galway.

With best wishes for a happy New Year 🍀
